

Benny Hinn 1989: “The Lord said to me in 89, “When Oral Roberts and Billy Graham go home, it will be the key; it will be the sign of the beginning of the greatest revival on earth.”

Billie Brim 2007 heard the Lord say: “Tell Oral Roberts some can choose the date of their departure as is revealed in the writings of the Apostle Paul. But some cannot; for the dates of their departures are in the sovereign plan of God. Two who cannot choose are Billy Graham and Oral Roberts. Their departures are in the sovereign plan of God and at their departures there will be a major shift in the heavenlies.”

Wanda Forbes 2007: God said to watch his generals. When Oral and Billy went home it would be a sign of a new facet of Gods glory and power. Their mantles – I saw a large shield burst into small ones. God said one would no longer carry the mantle but Gods faithful. God began to pour out small shields on the earth.

Jeff Kingshot 2010: The graduation of Billy Graham will be a sign of a great release of fire worldwide.

Kim Clement 12th Sep 2006:

It shall come to pass that My great generals who have stood the test of time shall decree before they die, “It is time for me, it is well with my soul.” *Billy Graham, I am calling you to be with Me that the earth may see the Lord in a greater way, for your death will not bring about tears, but your death will bring about the unveiling of the Lord high and lifted up. For your death shall not bring the closing of the eyes of a generation, but your death shall bring the raising up of great evangelists of this time.*
